

2018-2019 Understanding of Student / Parent Participation in SOAR Fundraising Activities

Dear Student /Parent/Guardian:

SOAR is free to all student participants, but comes at a cost of approximately \$1,000 for each athlete in training. To help ensure we can continue to provide the highest quality of training, we require that all student athletes and at least one parent or legal guardian agree to participate in fundraising activities throughout the season. This is not something new. Since the program began 12 years ago SOAR students and their families have participated in fundraising, allowing for continual program growth and community outreach. In recent years, SOAR's fundraising program has met with phenomenal success, raising more than \$52,000 during last year's season alone, and offers you a unique opportunity to 'pay it forward' for future participants!

Please note, we need parent / legal guardian involvement in fundraising activities! Friends and / or family members are welcome but cannot be substituted for parent / legal guardian participation.

Student / parent / legal guardian refusal to participate in SOAR fundraising activities can result in termination of program support.

The following is a list of fundraising activities in which participation will be required for season 2019:

- SOAR 50/50 Raffle Campaign (Each student is required to sell 100 tickets @ \$1 each during the month of November).
- Road Runner Sports Team Shoe Night – Sunday December 2nd 2018.
- Mardi Gras Madness 5K/10K – Race Support, Sunday February 24th 2019.

Please discuss these expectations as a family and feel free to contact Coach Sarkissian at 661.877.7024 with questions or concerns.
