Team Fundraising Site Registration Instructions Training Season 2017- 2018

As an Official Charity of the 2018 LA Marathon, SOAR is required to maintain a web based Charity Fundraising Platform where the general public can make online donations to the team. As a 2017 program participant, you will be asked to raise funds to help support your training. This year's goal is set at \$700 for each student participant and \$700 for each adult in training, but don't worry! We have fundraising activities already planned for this season to help you reach your goal!

To get you started, you'll need to use our web platform to set up your own SOAR fundraising page. Here's the process:

1) Click this link: www.soar.kintera.org/2018 You can also access this page by via the fundraising tab at www.soar-sc.org.

2) Select 'Participant Registration' and agree to the waiver to begin registration. Select '[Join Team SOAR 2018](#)' to join this year's campaign. You will need to choose a username and password when prompted. Please save that information in a safe place! There is no cost to register, but during the process, you will have the option to select a Tshirt size and purchase a bus ticket.

[Students](#) - please [DO NOT](#) opt to purchase a bus ticket, [DO NOT](#) opt to purchase a charity suite ticket, this is paid for by SOAR and included in your training program. All other Charity Participants may choose this option if you want to ride with the team on race morning. [Please note, the trip to LA is one-way only.](#)

3) Personalize your SOAR donation page by adding up to two personal photos. This is an optional feature but [PLEASE](#) make sure your pictures are appropriate! :) If you're not sure, run it by Coach Sarkissian [BEFORE](#) you upload. Running related photos are always safe bet!
