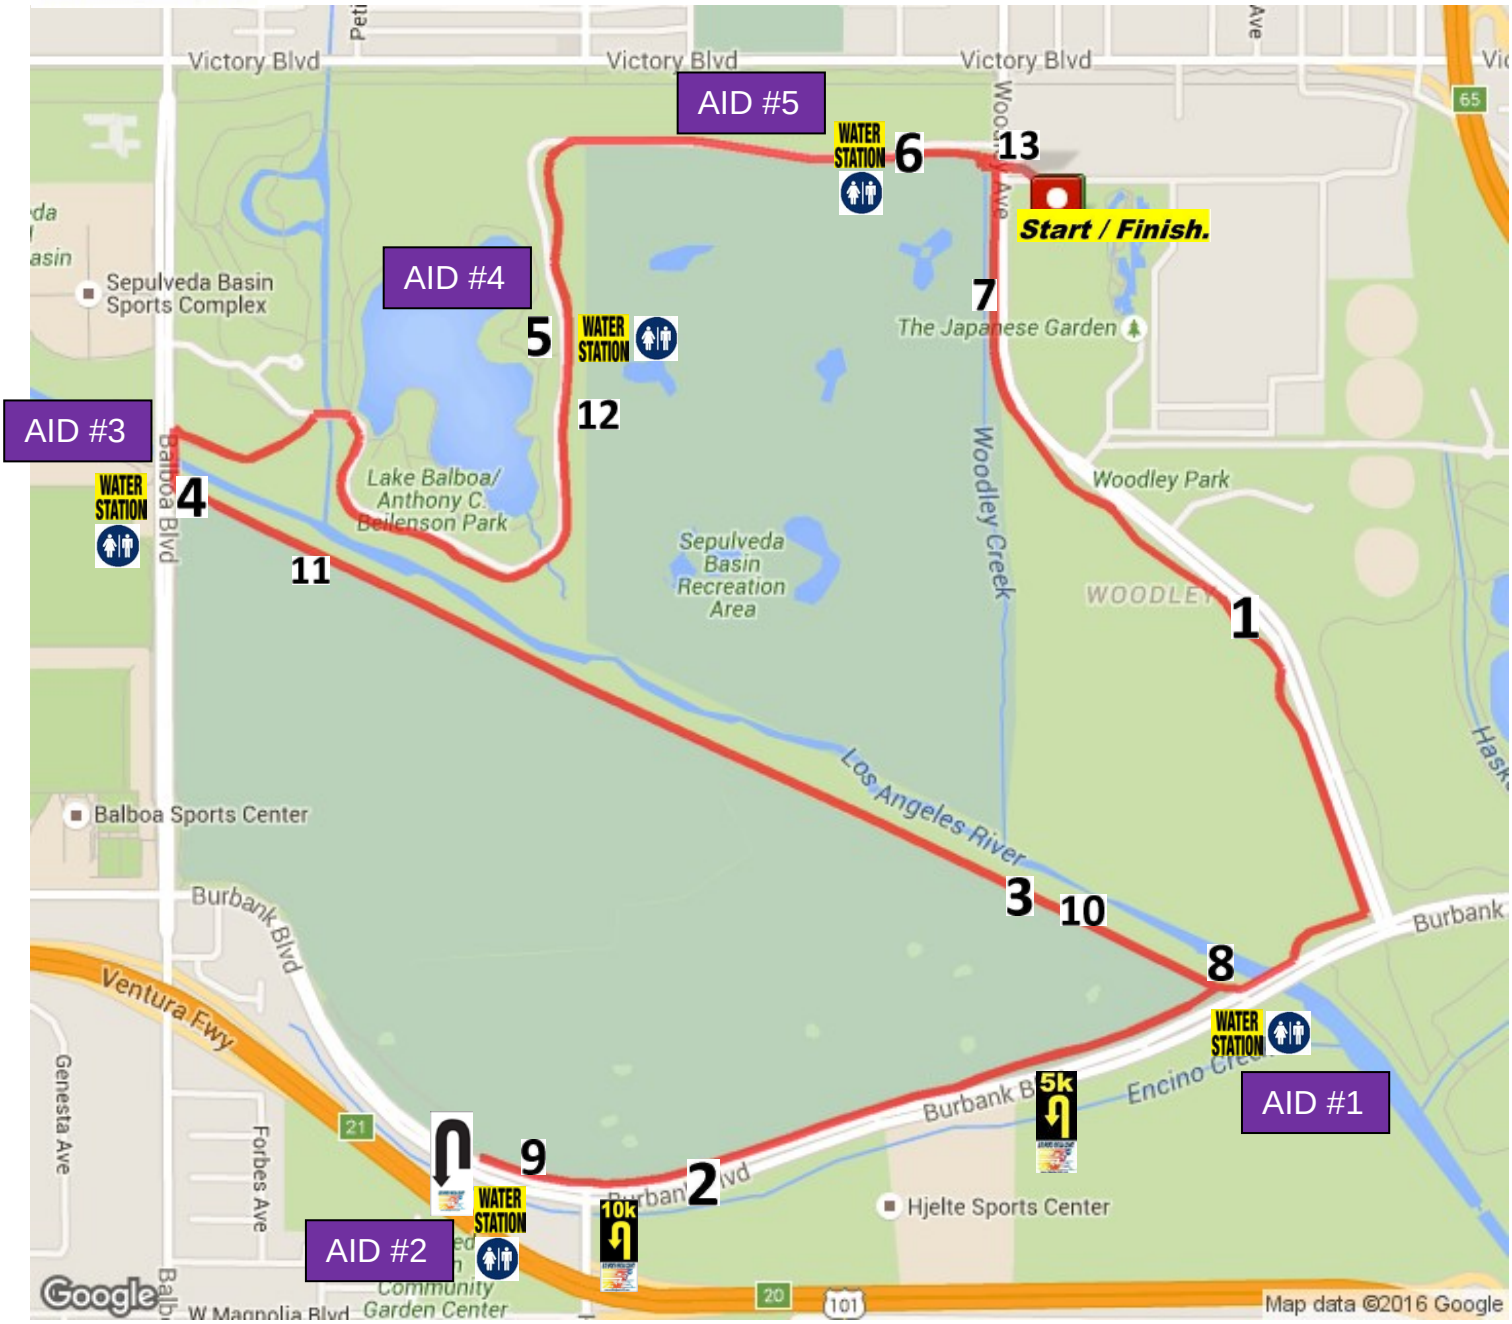
Lake Balboa
Half Marathon 5k 10k

Lake Balboa Half Marathon

Distance: 6.56 mi
Elevation: 87.62 ft (Max: 731.4 ft)



MapMyRun • http://mapmyrun.com/routes/view/917259763

Half Marathon is two loops of this course

Start at Woodley park -1, head west through the tunnel walk way, when you exit the tunnel take a right, then another right (yes a big U-turn) onto the main bike path that runs along Woodley Ave, follow the paved bike path up to the HALF MARATHON turn around sign (Golf Course parking lot), turn around and head back up the bike path to the large fork in the road at the main dirt trail, turn left at the dirt trail that will lead you to the west side bike path that runs along Balboa Blvd, turn right and follow the bike path that runs along the perimeter of the park and that will lead you back to the tunnel walk way and to the Start / Finish line and start your second loop. Start of loop 2 is through the YELLOW shoot.
